Erath County is committed to a workplace free of harassment. Harassment includes unlawful, unwelcome words, acts or displays based on sex, race, color, religion, national origin, age, genetic information, pregnancy, disability, family or military leave status or veteran's status. Such conduct becomes harassment when (1) the submission to the conduct is made a condition of employment; (2)

the submission to, or rejection of, the conduct is used as the basis for an employment decision; or (3) the conduct creates an offensive, intimidating or hostile working environment or interferes with work performance.

Harassment is strictly prohibited by Erath County whether committed by an elected official, appointed official, department head, co-worker or non-employee with whom the county does business.

Employees who feel they have been harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Retaliation against an employee who reports harassment or who cooperates in the investigation is prohibited by law as well as this policy. Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Remedial action will be taken in accordance with the circumstances when the county determines unlawful harassment or retaliation has occurred, up to and including termination.

Employees engaging in sexual harassment shall be subject to discipline, up to and including termination of employment. Sexual harassment shall include, but not be limited to, unwanted sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature, which includes slurs, jokes, statements, gestures, touching, pictures, emails or cartoons

where: (1) the submission to such conduct is either an expressed or implied condition of employment; or (2) the submission to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person; or (3) the conduct has the purpose or effect of substantially interfering with an affected person's work performance or creating an intimidating, hostile, or offensive work environment.

All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. All claims of sexual harassment shall be handled with discretion.

Employees who feel they have been sexually harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

- b. Record the time, place and specifics of each incident, including any witnesses.
- c. Report continuing sexual harassment to the Elected Official or Appointed Official who is responsible for your department or to the County Judge or the County Attorney.
- d. If a thorough investigation reveals that unlawful sexual harassment has occurred, Erath County will take effective remedial action in accordance with the circumstances, up to and including termination.

Retaliation against an employee who reports sexual harassment or who cooperates as a witness in the investigation is prohibited by law as well as this policy.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be

the best course of action, the report should be made to the County Judge or to the County Attorney.

Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.

County employees shall not: 1) Use their official authority or influence to interfere with or affect the result of any election or nomination for office; 2) Directly or indirectly coerce, attempt to coerce, command, or advise another person to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for a political reason; or 3) Use any equipment, property or material owned by the County for political activity or engage in political activity while on duty for the County. 4) If an employee chooses to run for the office against the incumbent for which he or she is employed, the employee must resign from their job at the time of their filing. 5) Employees may not be contacted during working hours by a candidate for endorsements or signatures for any petitions in lieu of filing fees.

1B-8 OUTSIDE EMPLOYMENT

Erath County employees are expected to give their full and undivided attention to their job duties. They should not use Erath County facilities or equipment or their association with Erath County to carry on a private business or profession unless express approval is obtained in advance and in writing from their immediate supervisor. County employees should not engage in a profit-making business nor become involved with a non-profit organization outside of their employment with Erath County that interferes with the employee's assigned duties with Erath County.

1B-9 BREAKS

Employee breaks are determined by each department head and are not required to be given. If your department provides you with a break, they may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for nursing mothers, however if paid breaks are provided for employees, nursing mothers must be given the same amount of paid break time.

The Texas Right to Express Breast Milk in the Workplace Act and The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk during the first year following the birth of a child.

Erath County will provide two paid breaks not to exceed 30 minutes daily for nursing mothers. The nursing mother will be allowed whatever time is needed to express breast milk, however, if the break exceeds 30 minutes in duration, the break time will be unpaid time off.

The mother will be given a private location, other than a bathroom. The location will be shielded from view and free from intrusion and appropriate for expressing breast milk. The specific location will be determined on a case by case basis.

Erath County does not allow any retaliation against nursing mothers for asking for this break. Nursing mothers are entitled to this break for the duration of the time they are expressing breast milk. A reasonable accommodation will be given for the needs of employees who express breast milk. Employees of the county who need to express breast milk may not be discriminated against.

1B-10 GRIEVANCES

Any employee having a grievance related to his/her job should discuss the grievance with his/her immediate supervisor.

If the discussion with the immediate supervisor does not resolve the grievance, and, if the immediate supervisor is not the elected or appointed official with final responsibility for the employee's department, the employee shall have the right to discuss the grievance with that official.

The decision of the elected or appointed official with final responsibility for the employee's department shall be final in all grievances.

1B-11 DISCIPLINE

Each supervisor shall have the authority to administer discipline to employees in their department for poor performance, violation of policies, disruptive behavior, or any other behavior or activity which the supervisor feels is not acceptable as it relates to the employee's job or the best interest of the department or County.

Depending on the severity of the situation, disciplinary action may include any of the following:

- 1) Oral Counseling

- 2) Oral Reprimand
- 3) Written Reprimand
- 4) Suspension without pay
- 5) Immediate termination

All reprimands and disciplinary action should be documented in writing and signed by the employee and elected official or department head.

All County employees are “at will” employees and nothing in this policy gives an employee any contract of employment, guarantee of any duration of employment, or any other property interest in his/her job.

Erath County retains the right to terminate the employment of any individual at any time for any legal reason, or no reason, with or without notice. The County also retains the right to change any condition, benefit, privilege, or policy of employment at any time, with or without notice.

1B-12 LICENSE AND CERTIFICATIONS

Erath County has many positions that require license and certifications. It is the responsibility of each employee to maintain all required license and certifications. If an employee is unable to renew or loses a license or certification, they must immediately notify their supervisor. If this license is a requirement for the position, the employee may be demoted, transferred or terminated. Under no circumstances will the employee be allowed to continue in the position where a license or certification is required if failure to have such license or certification is illegal under either Federal or State Law.

1B-13 WEATHER CLOSINGS AND EMERGENCIES

As a general practice, Erath County does not close its operations unless the health, safety, and security of county employees are seriously brought into question. When this happens, either because of severe weather conditions or other emergencies, the County Judge is responsible for notifying the public.

Each elected official controls the working hours of their employees, even in an emergency situation. Elected officials will be responsible for notifying their staff.

Many county departments are continuous operating public safety and service departments. Many county personnel will be required to work during emergency closings. Each department head is responsible for designating their own employees and providing alternate information to personnel designated as essential during emergency closings. Public safety will be foremost in the development of departmental emergency action plans.

1B-14 CONFIDENTIALITY

Erath County is a public entity, however, some county employees acquire confidential non-public information as a result of their position with the county. This information must be protected. Employees who reveal confidential non-public information they have received as a result of their position may be subject to discipline up to and including termination.

Regarding the personnel information on employees of Erath County; the county will adhere to all open record requests and such requests will be reviewed and information will be released in accordance with Texas State Law.

1B-15 WHISTLEBLOWER

An employee may, in good faith, report an alleged violation of a Erath County Policy or federal or state law to his or her supervisor, department head, or county attorney, unless all of these persons are the alleged perpetrators of the alleged violation of policy or law. If all of the listed persons are alleged to be involved in the violation, the employee may report the allegation to the County Attorney. The county will investigate the reported activity.

An official, supervisor, department head, or any other employee is prohibited from taking adverse employment action against an employee who, in good faith, reports an alleged violation of County policy or federal or state law to a designated person, pursuant to this policy.

An employee who intentionally makes a false report of wrongdoing may be subject to discipline up to and including termination.

Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401(a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees. Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered to be a new member for the purposes of beneficiary determination and benefit selections.

Employees shall only be able to use vacation which has already been accrued and shall not be allowed to borrow vacation against possible future accruals. Employees shall not be allowed to receive pay for vacation in lieu of taking time off.

If a holiday falls during an employee's vacation then the employee will not be charged for the vacation.

Each employee shall be responsible for accurately recording all vacation time used on the electronic timekeeping system.

The maximum unused vacation that an employee is allowed to carry forward is 40 hours into the new year.

For purposes of this policy, immediate family shall be defined as spouse, child, parent, brother, sister, grandparents, grandchildren or other relative living in the employee's home who is dependent on the employee for care.

Where sick leave is to be used for medical appointments, an employee shall be required to notify his/her supervisor of the intent to use sick leave as soon as the employee knows of the appointment or at least one day in advance. Where use of sick leave is not known in advance, an employee shall notify his/her supervisor of the intent to use sick leave as soon as reasonably possible. If the employee feels that the situation will cause them to miss more than one day of work, the employee should notify his/her supervisor of the anticipated length of absence. The employee will be placed on FMLA, if qualifying event occurs and employee is eligible.

If an employee uses three (3) or more consecutive days of sick leave, a physician's statement or some other acceptable documentation of injury or illness is required for either the employees own illness or the illness of an immediate family member.

Supervisors may require employees who have a pattern of abusing sick leave to provide a physician's statement for those absences that are less than three days.

Employees shall not be allowed to borrow sick leave against future accruals. Employees may be allowed up to 4 hours sick leave for funeral leave of a relative who is not a member of the immediate family or the funeral of a friend.

If a designated holiday falls on an eligible employee's day off, the employee shall be allowed to take another day off with pay during the following 30 days. An employee shall not be allowed to take a day off with pay prior to a holiday in anticipation of working on the holiday.

An eligible employee called in to work on a holiday because of an emergency, or other special need of the County, shall be given paid time off during the next 30 days equivalent to the amount of time worked on the holiday.

If an employee is out on unpaid Family and Medical leave during the year, he or she will not receive longevity credit for the unpaid portion of the leave. The longevity payment will be calculated on a pro rata basis for only the number of months actually worked. An employee on FMLA leave in December when the longevity pay is disbursed will receive their longevity check with the first pay check upon returning to work. If the employee does not return to work for the county, he or she will not receive a longevity payment.

Employees who terminate employment with the county prior to the December payment date will not receive longevity pay. An individual who terminates employment with the county and is rehired within one year will have years of service reinstated for calculation of longevity pay.

An employee may use annual leave or leave without pay if he/she must attend Reserve or National Guard Training sessions or exercises in excess of the 120 hours or fifteen day maximum.

An employee going on military leave shall provide his or her supervisor with a set of orders within two (2) business days after receiving them.

Erath County employees who leave their positions as a result of being called to active military service or who voluntarily enter the Armed Forces of the United States shall be eligible for re-employment in accordance with state and federal laws in effect at the time of their release from duty.

To be eligible for benefits under this policy, an employee must: 1) have worked for Erath County at least 12 months (it is not required that these 12 months be consecutive; however a continuous break in service of 7 years or more will not be counted toward the 12 months); and 2) have worked at least 1250 hours during the previous 12 months.

Up to 12 weeks leave per 12 month period may be used under this policy. The County will measure the 12 month period as a rolling 12 month period measured backward from the date an employee uses any leave under this policy. All leave taken under this policy during the prior 12 month period shall be subtracted from the employee's 12 week leave eligibility and the balance is the leave the employee is entitled to take at that time.

If a married couple both work for the County the maximum combined leave they shall be allowed to take in any 12 month period for the birth or placement of a child, or care for a parent with a serious health condition is 12 weeks. If an employee has accrued leave, the employee shall be required to use the following paid leave as detailed below: vacation, holiday and sick. The remainder of the leave shall be unpaid.

An employee taking leave for the birth of a child shall be required to use paid sick leave for the 6 week recovery period. For the remainder of the 12 week leave period, the employee shall be required to first use all vacation and holiday leave, except for sick leave, with the remainder being unpaid leave. If the recovery period is longer than 6 weeks a physician's statement will be required. The spouse shall be required to use all vacation and holiday leave except for sick leave, with the remainder of the 12 week leave period being unpaid leave.

An employee or spouse who is taking leave for the placement of a child in the employee's home for adoption or foster care shall be required to use first earned vacation and holiday leave, except for sick leave, with the remainder of the 12 week leave period being unpaid leave.

While on leave under this policy, the County shall continue to pay the employee's medical plan premium at the same rate as if the employee had been actively at work. The employee shall be required to pay for dependent coverage, and for any other coverage for which the employee would normally pay, or the coverage will be discontinued. Payment for coverage shall be made through regular payroll deduction while the employee is on paid leave. While on unpaid leave, the employee shall be required to pay for premiums due to the County no later than 30 days after the due date which the County sets or the coverage shall be discontinued.

At the end of the 12 weeks leave all eligible employees will be offered COBRA if they are unable to return to work, except for the care of an injured covered military member where the eligible employee will be offered COBRA at the end of 26 weeks in a single 12 month period.

Intermittent leave under this policy shall be allowed only where it is necessary for the care and treatment of the serious health condition of the employee, the employee's eligible family member or the care of a covered military member or covered veteran.

A reduced schedule under this policy shall be allowed only where it is necessary for the care and treatment of the serious health condition of the employee, the employee's eligible family member, or the care of a covered military member or covered veteran.

All work time missed as the result of intermittent leave or a reduced work schedule under this policy shall be deducted from the employee's 12 week leave eligibility. If the time missed is for the care of a covered military member or covered veteran with a serious injury or illness the time will be deducted from the employee's 26 week leave eligibility in a single 12 month period.

The County shall have the right to ask for certification of the serious health condition of the employee or the employee's eligible dependent when the employee requests or is using leave under this policy.

The employee must respond to the request within 15 days of the request or provide a reasonable explanation for the delay. If an employee does not respond, leave may be denied.

Certification for leave taken because of a qualifying exigency shall include: 1) a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military member is on active duty or called to active duty status in a foreign country; 2) the dates of the covered military members active duty service; 3) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency, sufficient to support the need for leave; 4) the approximate date on which the qualifying exigency will start and end; 5) if the request is for an intermittent leave or reduced schedule basis, an estimate of the frequency and duration of the qualifying exigency; 6) if the qualifying exigency involves meeting with a third party, appropriate contact information such as: name, title, organization, address, telephone number, fax number and e-mail address and a brief description of the purpose of the meeting.

The employee may be required to provide confirmation of the family or next of kin relationship to the seriously injured or ill covered military member or covered veteran.

If the employee plans to take intermittent leave or work a reduced schedule, the certification shall also include dates and the duration of treatment and a statement of medical necessity for taking intermittent leave or working a reduced schedule. Certification for intermittent or reduced schedule leave may be requested every 6 months in connection with an eligible absence.

The County shall have the right to ask for a second opinion from a physician of the County's choice, at the expense of the County, if the County has reason to doubt the certification, except FMLA to care for a seriously injured or ill covered service member supported by an ITO or ITA.

If there is a conflict between the first and second certifications, the County shall have the right to require a third certification, at the expense of the County, from a health care practitioner agreed upon by both the employee and the County, and this third opinion shall be considered final.

Except where leave is unforeseeable, an employee shall be required to submit, in writing, a request for leave under this policy to his or her immediate supervisor.

Where practicable, an employee should give his or her immediate supervisor at least 30 days notice before beginning leave under this policy. Where it is not reasonably practicable to give 30 days notice before beginning leave, the employee shall be required to give as much notice as is reasonably practicable. If an employee fails to provide 30 days notice for foreseeable leave, the leave request may be denied until at least 30 days from the date the County receives notice.

Employees returning from leave under this policy, and who have not exceeded the 12 week maximum allowed under this policy, shall be returned to the same job or a job equivalent to that the employee held prior to going on leave.

Employees who have not exceeded the 26 week maximum, in a single 12 month period, allowed to care for a seriously ill or injured covered military member, shall be returned to the same job or a job equivalent to the job they held prior to going on leave.

The County shall have no obligation to reinstate an employee who takes leave under this policy and who is unable to return to work after using the maximum weeks of leave allowed under this policy, or who elects not to return to work after using the maximum leave; this includes employees who may still have sick leave or vacation leave still available.

Except in situations where the employee is unable to return to work because of the serious medical condition of the employee or an eligible family member, or other situations beyond the control of the employee, an employee who does not return to work after using the maximum leave allowed under this policy shall be required to reimburse the County for all medical premiums paid by the County while the employee was on leave without pay.

While on leave without pay under this policy, an employee shall not earn vacation, sick leave, be eligible for holidays, or earn other benefits afforded to employees actively at work, except for those stated in this policy.

Employees who are out on approved FMLA may not take trips outside of the county unless the travel is related to the employee's own serious health condition, the serious health condition of the child, spouse or parent of the employee or to attend qualifying military events.

Any area or issue regarding family and medical leave which is not addressed in this policy shall be subject to the basic requirements of the Federal Family and Medical Leave Act (FMLA) and the regulations issued to implement it.

The County may send out to an employee who has been out for 3 or more days a Medical Certification to determine the employee's FMLA eligibility. The employee should have their physician complete and return the certification within 15 days of receipt to be eligible for FMLA. Failure to return the medical certification may result in denial of FMLA. Employees will be required to provide a Fitness-for-Duty certification prior to returning to work.

Employees with any questions about their eligibility for FMLA leave should contact the County Treasurer's Office for more information.

2B-15 SICK LEAVE POOL

The County has established a policy to provide a sick leave pool, which will enable eligible county employees to voluntarily transfer sick leave time earned by the employee to a county sick leave pool and to permit employees to draw time in the event of a catastrophic injury or illness.

Examples of a catastrophic injury or illness include, but are not limited to:

1. Stroke
2. Heart attack
3. Major surgery requiring hospitalization
4. Cancer
5. Pregnancy complications
6. To care for a spouse or children who is terminally ill

The County Treasurer is the administrator of the County sick leave pool.

To contribute time to the County sick leave pool, an employee must submit an application to the Treasurer. On approval by the Treasurer, in a calendar year employees may transfer to the pool not less than one day or more than five days accrued sick leave. The Treasurer will credit the pool with the amount of time contributed by the employee and will deduct the same amount of time from the amount to which the employee is entitled, as if the employee has used the time for personal purpose. An employee who resigns, retires or is terminated may donate not more than 10 days of accrued sick leave.

Employees are eligible to use time contributed to the County sick leave pool for a catastrophic injury or illness, if they have completed one year of continuous service, have exhausted all of their earned sick, vacation, holiday leave, and short term disability leave.

Eligible employees must apply to the Treasurer for authorization to use the time in the County sick leave pool. If the Treasurer determines that the employee is eligible, the Treasurer will approve the transfer of time from the pool to the employee. **An eligible employee must submit an application with a physicians statement verifying the catastrophic injury or illness.** The time will be credited to the employee and used in the same manner as sick leave earned during the course of employment.

Employees may not use time in the County sick leave pool in an amount that exceeds the lesser of one-third of the total amount of time in the pool or 480

An employee absent on sick leave assigned from the County sick leave pool is treated for all purposes as if the employee were absent on earned sick leave.

The estate of a deceased employee is not entitled to any payment for unused

sick leave contributed to or acquired by that employee from the County sick leave pool.
